## Explanatory Notes on the Business of the AGM

### **NOTE FOR CREST shareholders: Electronic proxy appointment through CREST**

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual which can be viewed at [www.euroclear.com](http://www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent, Equiniti (Jersey) Limited, (CREST Participant ID 7RA01) by 12.00 noon on 23 March 2015 (or 48 hours preceding the date and time for any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

### **Resolution to Receive the Annual Report and Accounts for the financial year ended 31 December 2014 and the Directors' Report and Auditors' Report on these (Resolution 1)**

The Directors are required to present to the AGM the accounts, and the reports of the Directors and auditors, for the financial year ended 31 December 2014. These are contained in the Company's Annual Report and Accounts 2014.

### **Resolution that the Directors' Remuneration Report for the financial year ended 31 December 2014 be approved (Resolution 2)**

The Company is required to ask shareholders to approve the Directors' Remuneration Report which is included in the Annual Report and Accounts 2014. These can be viewed on the Company's website and are available to shareholders on request.

The Company's auditors, KPMG, have audited those parts of the Directors' Remuneration Report which are required to be audited and their report may be found in the Annual Report and Accounts.

### **Resolutions to approve the payment of a second interim dividend and a special dividend (Resolutions 3 and 4)**

The Board has recommended the payment of a second interim dividend of 6.2 pence per Ordinary Share which, provided shareholders approve Resolution 3, will be paid by the Company on 27 March 2015 to all shareholders on the register of members on 27 February 2015 (other than those who will be paid such dividend by a subsidiary of the Company resident for tax purposes in the United Kingdom pursuant to elections made or deemed to have been made in accordance with Article 125 of the Company's articles of association (the "Articles") and such shareholders shall have no right to this second interim dividend).

The Board has recommended the payment of a special dividend of 11.8 pence per Ordinary Share which, provided shareholders approve Resolution 4, will be paid by the Company on 27 March 2015 to all shareholders on the register of members on 27 February 2015 (other than those who will be paid such dividend by a subsidiary of the Company resident for tax purposes in the United Kingdom pursuant to elections made or deemed to have been made in accordance with Article 125 of the Company's Articles and such shareholders shall have no right to this special dividend).

The recommended second interim dividend that shareholders are being asked to approve in Resolution 3 and special dividend that shareholders are being asked to approve in Resolution 4 are both in addition to the first interim dividend of 3.1 pence per Ordinary Share paid by the Company on 29 August 2014 to all Shareholders on the register of members on 1 August 2014 (other than those shareholders who were paid such dividend by a subsidiary of the Company resident for tax purposes in the United Kingdom pursuant to elections made or deemed to have been made in accordance with Article 125 of the Company's Articles).

A dividend access plan has been implemented so that, subject to the Company's Articles and the plan's rules, shareholders are entitled to elect to receive either UK-sourced dividends or Irish-sourced dividends. Shareholders who do not elect (or who are not deemed to have elected) to receive UK-sourced dividends through the dividend access plan are reminded that their dividends will be Irish-sourced and will generally be subject to Irish withholding tax at the rate of 20 per cent.

#### **Reappointment of Directors (Resolutions 5 to 16 inclusive)**

In compliance with the provision on annual re-election of all Directors introduced by the UK Corporate Governance Code, all Directors wishing to seek re-election are submitted for re-election and are recommended by the board. Biographical details of all directors offering themselves for re-election are contained in the Annual Report and Accounts 2014 and on the Company's website.

Rolf Tolle was appointed as a Non Executive Director in December 2010. He has a familial connection in the business with his son, Christian Tolle, who joined the Company in August 2009 and is Head of Life, Accident and Health. Christian Tolle reports to the Chief Underwriting Officer and does not currently sit on the Executive Committee. The board values the independence of its Non Executive Directors and considered carefully the appointment of Rolf Tolle, acknowledging that his relationship with his son could call his independence into question. The board believes that the position that Rolf's son holds within Beazley does not impact Rolf's independence of character or judgement.

Rolf Tolle is a significant figure in the Lloyd's insurance sector, and is a substantive asset to the board and the Company. He was the first appointed Franchise Performance Director for the Lloyd's market. This was a new position created as part of the transformation of the Lloyd's market. His role was to monitor the performance of the Lloyd's syndicates and to formulate and implement procedures to monitor risk across the Lloyd's market. In this context he brings valuable insight and skills to the Beazley board, as both an industry expert and also from a risk perspective. He performs a valuable role in bringing challenge to the boardroom based on his in depth understanding of the key drivers and challenges faced by the Group.

The board meets the independence criteria for Rolf Tolle by ensuring that when Life, Accident and Health is a specific board or board committee matter Rolf Tolle excuses himself from the discussion and any related board or Committee decision. Such matters typically take up significantly less than 5 per cent of the total time set aside for board meetings. The board believes that this practice is consistent with the spirit of the UK Corporate Governance Code and the principle of independence. The Chairman oversees this potential conflict of interest, and ensures that the matter is revisited annually as part of the Board Effectiveness Review. The board is satisfied that the above familial connection does not pose any detriment to shareholders and that Rolf Tolle's continuance on the board of Beazley plc adds considerable value to the company's business and shareholders.

#### **Auditors (Resolutions 17 and 18)**

The Company is required, at each AGM at which accounts are presented, to appoint auditors to hold office until the next such meeting. KPMG has indicated its willingness to continue in office. Accordingly, Resolution 17 reappoints KPMG as auditors to the Company and Resolution 18 authorises the Directors to fix their remuneration.

### **Authority of Directors to allot shares (Resolution 19)**

Under Article 6 of the Articles, the Board needs to be given authority by ordinary resolution to exercise all powers of the Company to allot relevant securities (as defined in the Company's Articles). The authority granted at the last Annual General Meeting to allot relevant securities is due to expire at the conclusion of this year's Annual General Meeting. Accordingly, this resolution seeks to grant a new authority to authorise the Directors to allot relevant securities in the Company and will expire at the conclusion of the next Annual General Meeting of the Company. Upon the passing of this resolution, the Board will have authority (pursuant to paragraph (a) of the resolution) to allot relevant securities up to a maximum aggregate nominal amount of £8,690,657 representing approximately one third of the current issued ordinary share capital of the Company as at 4 February 2015, being the latest practicable date before the publication of this Notice. In addition, in accordance with the latest institutional guidelines from the Investment Association ("IA") on the expectations of institutional investors in relation to the authority of Directors to allot shares, upon the passing of this resolution, the Board will have authority (pursuant to paragraph (b) of the resolution) to allot an additional number of ordinary shares up to a maximum aggregate nominal amount of £8,690,657, which is approximately a further third of the current issued ordinary share capital as at 4 February 2015, being the latest practicable date before the publication of this Notice. However, the Directors will only be able to allot those shares for the purposes of a rights issue in which the new shares are offered to existing shareholders in proportion to their existing shareholdings. This authority will also expire immediately following the next Annual General Meeting.

As a result, if this resolution is passed, the Board could allot shares representing up to two-thirds of the current issued ordinary share capital pursuant to a rights issue.

There is no present intention of exercising this authority except in connection with the Company's employee share schemes. However, it is considered prudent to maintain the flexibility that this authority provides. If they do exercise the authority, the Directors intend to follow emerging best practice as regards its use (including, where appropriate, the Directors standing for re-election) as recommended by the IA.

As of 4 February 2015, being the last practicable date prior to the publication of this Notice, the Company did not hold any treasury shares.

### **Disapplication of pre-emption rights (Resolution 20)**

Under Article 7 of the Articles, if the Directors wish to exercise the authority under Resolution 20 and allot any shares for cash, it must offer them in the first instance to existing shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash without first offering them to existing shareholders in proportion to their shareholdings.

At the last Annual General Meeting, the Directors were empowered to make limited allotments of new shares for cash other than according to the pre-emption rights, which requires a company to offer all allotments of new shares for cash proportionately to existing shareholders first. This power granted to the Directors at the last Annual General Meeting is due to expire at the conclusion of this year's AGM. Accordingly, this resolution proposes to seek renewal of this power to the Directors. This resolution, which is conditional on the previous resolution having been passed, would, in accordance with Article 8 of the Articles, authorise the Directors to do this by allowing the Directors to allot shares for cash (i) by way of a rights issue in which the new shares are offered to existing shareholders in proportion to their existing shareholdings; and (ii) to persons other than existing shareholders up to a maximum aggregate nominal amount of £1,303,598 which is equivalent to 5 per cent of the nominal amount of the issued share capital of the Company on 4 February 2015, being the latest practicable date prior to the publication of this Notice.

If given, the authority will expire at the conclusion of the next Annual General Meeting in 2016. The Directors intend to renew such power at subsequent Annual General Meetings in accordance with current best practice.

The Directors have no current plans to allot shares, except in connection with employee share schemes. The Directors do not intend to issue more than 7.5 per cent. of the issued ordinary share capital of the Company in any rolling three year period without prior consultation with shareholders.

### **Authority for the Company to purchase its own shares (Resolution 21)**

This Resolution gives the Company the authority to buy back up to 52,143,943 Ordinary Shares in accordance with Article 12 of the Articles. This represents approximately 10 per cent. of the Company's issued ordinary share capital as at 4 February 2015, being the latest practicable date before the publication of this Notice. The authority would expire at the conclusion of the 2016 Annual General Meeting or, if earlier, 25 June 2016. The Board intends to seek renewal of this power at subsequent Annual General Meetings in accordance with current best practice.

The minimum price that may be paid by the Company for an Ordinary Share is its nominal value and the maximum price which may be paid by the Company for an Ordinary Share is the higher of:

- (a) an amount equal to 5 per cent. above the average of the middle market quotations of an Ordinary Share (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the date on which that Ordinary Share is contracted to be purchased; and
- (b) an amount equal to the higher of (i) the price of the last independent trade of an Ordinary Share; and (ii) the highest current independent bid for an Ordinary Share on the London Stock Exchange at the time the purchase is carried out.

Any buy back of shares would be made on the London Stock Exchange.

In certain circumstances, it may be advantageous for the Company to purchase its own shares and Resolution 21 seeks authority from shareholders to continue to do so. Authority was given to the Company to make market purchases up to an aggregate of 52,098,128 of its Ordinary Shares at the Annual General Meeting held on 26 March 2014 (being equal to approximately 10 per cent. of the Company's issued ordinary share capital as at 5 February 2014, the last practicable date prior to the publication of the notice of the Annual General Meeting held on 26 March 2014). This authority is due to expire at the end of the Annual General Meeting to be held on 25 March 2015 and it is proposed that the Company be authorised to continue to make market purchases up to an aggregate of approximately 10 per cent. of the Company's issued ordinary share capital. The Directors will continue to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be in the best interests and to the corporate benefit of shareholders generally. The Directors consider it to be desirable for this general authority to be available to provide flexibility in the management of the Company's capital resources over the next 12 months and particularly in the short term.

In addition, other investment opportunities, appropriate gearing levels and the overall position of the group will also be taken into account when determining whether to exercise this authority. The Company may hold in treasury any of its own shares that it purchases pursuant to the authority conferred by this resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares.

The total number of options to subscribe for shares outstanding as at 4 February 2015 being the latest practicable date before the publication of this Notice, was 20,926,990. This represents 4.0 per cent of the issued share capital at that date. If the Company was to buy back the maximum number of Ordinary Shares permitted pursuant to this resolution, then the total number of options to subscribe for Ordinary Shares outstanding at 4 February 2015 would represent 4.5 per cent of the reduced share capital.

### **Notice Period for general meetings (Resolution 22)**

The Companies (Shareholders' Rights) Regulations 2009 (the "Shareholders' Rights Regulations") increased the notice period for general meetings of an English company to 21 clear days unless shareholders approve a shorter period, which cannot be less than 14 clear days. The Company has committed to comply with the Shareholders' Rights Regulations to the extent practicable as if it were an English company. Accordingly, at the Annual General Meeting of the Company held on 26 March 2014, shareholders authorised the calling of general meetings other than an Annual General Meeting on not less than 14 clear days' notice. Resolution 22 seeks the approval of shareholders to renew the authority to be able to call general meetings (other than an Annual General Meeting) on not less than 14 clear days' notice. The flexibility offered by Resolution 22 will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole.

The Company undertakes to meet the requirements for electronic voting under the Shareholders' Rights Regulations before calling a general meeting on not less than 14 clear days' notice. If given, the approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.
