If the **insured** does not give notice to the **insurer** in compliance with this provision, the **insurer** will have no liability under this policy in respect of that **claim, insured event, crime loss** or **mitigation costs**.

(d) Related matters

A **single event** will be treated by the **insurer** as having been notified when the first of such **claims, insured events** or **crime losses** was notified or is deemed to have been notified to the **insurer**, irrespective of whether or not the **insurer** has formally accepted the notice.

The **insured** will take all reasonable steps to prevent or minimise any **loss**.

The **insurer** will be entitled to participate fully in the conduct of the defence, including settlement negotiations, contribution or indemnification proceedings, where it is reasonably likely to involve the **insurer** making any payment under this policy.

(b) Consent to policy costs

The **insurer** will not be obliged to pay any **policy costs** provided under this policy unless the **insurer** has provided prior written consent to such **policy costs** being incurred (except where expressly stated in the policy that prior consent is not first required).

The **insured** will not be required to receive the **insurer's** consent prior to making any self report or formal written representation to a **regulatory authority**, provided that as soon as legally permitted, the **insured** will seek the consent of the **insurer** in accordance with this clause. The **insurer** will not consider such self report or formal written representation as an admission of liability for the purposes of this clause.

(e) Uninsured loss

The **insured** will reimburse the **insurer** for any payments which are ultimately determined not to be covered under this policy.

3. Allocation

Where a **claim, insured event or crime loss** involves both parties covered and not covered and/or matters covered and not covered by this policy, a fair and proper allocation shall be made between the **insured** and the **insurer**, taking into account the relative legal and financial exposures attributable to the covered matters or persons and the matters or persons not covered by this policy.

4. Cooperation

The **insured** will give all information and assistance to the **insurer** as it may reasonably require to enable it to investigate any matter notified under this policy and cooperate with the **insurer** in responding to any **claim, insured event or crime loss**.

Except where expressly provided for in this policy, these steps will not be paid for by the **insurer**. The failure of any **insured person** to give the **insurer** the information and assistance which it may reasonably require will not impair the rights of any other **insured person** under this policy.

5. Basis of valuation

APPLICABLE TO CRIME INSURING CLAUSE AND COVERAGE EXTENSIONS ONLY

- (a) In calculating the amount payable under this policy for any **crime loss**, deductions will be made in respect of recoveries received from any source. The **retention** will apply to the net figure after making these deductions, but nothing in this clause will be construed to mean that such **crime loss** is not payable under this policy until the net figure has been ascertained
- (b) In no event shall the **insurer** be liable for more than:

- (i) the actual market value of **securities**, foreign funds, currencies or precious metals which will be determined by their closing market value on the last business day prior to the **crime loss** being **discovered** or, if less, the actual cost of replacing the **securities**;
 - (ii) the cost of blank books, blank pages or other materials plus the cost of labour and computer time for the actual transcription or copying of data furnished by the **insured** in order to reproduce **physical records**;
 - (iii) the cost of blank electronic data processing media and the cost of labour for the actual transcription or copying of electronic data furnished by the **insured**, in order to reproduce that electronic data, however if that electronic data cannot be reproduced and represents **securities** or other financial instruments of value, then the **crime loss** will be valued as indicated at sub-paragraphs (i) and (iv) of this clause (b);
 - (iv) the actual cash value of other property at the time the **crime loss** was **discovered**, or the actual cost of repairing or replacing the property with property or material of like quality or value, whichever is less;
 - (v) the value of subscription, redemption, conversion or deposit privileges immediately prior to their expiry;
 - (vi) any interest receivable which exceeds the average Bank of England base rate between the time of sustaining **crime loss** and the date of **discovery** of the **crime loss**.
- (c) In the event that a loss of **securities** is covered by this policy, the **insurer** will, at their election, indemnify the **insured** for either:
- (i) any premium required to be paid by the **insured** to purchase lost instrument bonds; or
 - (ii) an amount which the **insured** may be required to pay either during the **policy period** or any time after by reason of any indemnifying agreement executed by the **insured** in relation to any lost instrument bonds issued or purchased by the **insured**,
- for the reissuing of duplicate securities.
- (d) In calculating **crime loss** as a result of the physical loss of or damage to cancelled cheques, cancelled drafts or cancelled credit card receipts, additional reasonable **employee** expenses necessarily incurred by the **insured** in identifying the depositors of those lost or damaged cancelled items, or in assisting depositors in obtaining duplicates, shall be included.

6. Other insurance or indemnification

This policy will only pay **loss** that is in excess of any amount recoverable from a more specific directors' and officers'/management liability, professional indemnity, pension trustee/fiduciary liability, investment managers liability, private equity or crime insurance available to the **insured**. As excess insurance, this policy will not apply or contribute to the payment of any **loss** until the amounts of that other insurance have been exhausted.

All coverage under this policy for **professional loss** arising from an **insured person** whilst acting in their capacity as an **outside director**, will be specifically excess of and will not contribute with, any other insurance or indemnification available to such **insured person** from the **outside entity** or its insurers by reason of their service as such.

7. Financial interest coverage

This policy will cover the **policyholder** for loss caused to its financial interest in an **uncovered company** but will not provide cover for the loss of an **uncovered company**.

The **insurer** will pay the **policyholder** for loss to its financial interest in such **uncovered company** that is valued as the amount of **loss** which would have been payable to the **uncovered company** under this policy had the **uncovered company** been permissibly insured under this policy. No payment will be made in respect of any Insuring Clause or Coverage Extension which would have covered the **loss** of any **insured person** in respect of their role for the **uncovered company**.

The **policyholder** will, as a condition of this policy:

- (a) procure that the **uncovered company** adheres to all duties, obligations and conditions under this policy that would have been applicable had the **uncovered company** been insured under this policy;
- (b) notify the **insurer** of any cause of action, benefit or recovery that an **uncovered company** may have in relation to the facts and circumstances of the loss;
- (c) ensure that the **uncovered company** enforces and/or assigns any cause of action, benefit or recovery to the **policyholder** and where there is a benefit or recovery, the amount payable under this policy shall be reduced by the same amount.

8. Subrogation and recoveries

Following a payment under this policy, the **insurer** will be subrogated to all rights and remedies available to the **insured** in connection with that payment therefore the **insurer** has the right to seek recovery of that payment from a third party and will be entitled to bring proceedings in the name of the **insured**.

Whether before or after payment under this policy, the **insured** will take all steps necessary, or required by the **insurer**, to preserve the rights and remedies which the **insured** may have to recover its **loss**.

The **insured** will provide to the **insurer** any assistance the **insurer** may require to secure the rights and remedies set out above. The **insurer** shall be entitled to take control of all steps taken to recover any loss.

Any amounts recovered will be applied in the following order:

- (a) to reimburse costs incurred in bringing proceedings against the third party;
- (b) then to the **insured** for the amount of any **loss** which exceeds the **limit of liability**;
- (c) then to the **insurer** up to the amount of the **loss** paid by the **insurer** and the **limit of liability** will be reinstated for such amounts; and
- (d) then to the **insured** to reimburse the **retention**.

The **insurer** agrees not to exercise its rights of recovery against any **insured person** unless the payments made by the **insurer** under this policy are brought about or contributed to by the deliberately criminal or deliberately dishonest act or omission of that **insured person**.

General Conditions

1. Limit of liability

The **limit of liability** is the maximum amount payable by the **insurer** under this policy in respect of all **insureds**, Insuring Clauses and Coverage Extensions. However, the **limit of liability** applicable to Insuring Clause 1 (*Civil liability private equity firm and fund*) will be automatically reinstated in the event of erosion or exhaustion by payment of **loss**, other than a **professional loss** arising from a **wrongful AIFMD act**, to the extent of such erosion or exhaustion. Such reinstated **limit of liability** will only apply to **claims** arising from **wrongful AIFMD acts** and only after the limit of liability of all insurance policies sitting excess of this policy have been exhausted.

The **insurer** will not be liable for more than the **limit of liability** in respect of all **loss** arising from a **single event** and twice the **limit of liability** in respect of all **loss** payable under Insuring Clause 1 (*Civil liability private equity firm and fund*) of this policy (in the event of a reinstatement). Where **loss** is incurred by a **fund** and any **director or officer** of that **fund** which arises from a **single event** and where such **loss** would be covered under Insuring Clauses 1 and 3, the **insurer's** maximum liability for any **loss** in the aggregate arising from such **single event** will be the larger of the available **limit of liability** under either Insuring Clause 1 or Insuring Clause 3 but not both (after making allowance for any previous erosion of those **limits of liability** by any **loss** not arising from that **single event**).

Any **loss** paid by the **insurer** under this policy will reduce the **limit of liability**.

Where any sub-limit is specified in the policy or schedule, the **insurer** will have no liability in excess of that sub-limit. Any sub-limit will be part of and not in addition to the **limit of liability**.

In the event that a **crime loss** is sustained by any **plan** that is covered under this policy, payment will be made by the **insurer** to the trustees of that **plan** for and on behalf of the beneficiaries.

2. Retention

(a) *Civil liability private equity firm and fund*

The **insurer** will be liable only for that part of any covered **professional loss** which exceeds the **retention**.

(b) *Directors & officers liability for private equity firm and fund*

The **insurer** will be liable only for that part of any covered **professional loss** which exceeds the **retention**. The **retention** will apply to:

Upon receipt by the **insurer** of such written notice, the **insurer** may agree at their sole discretion, upon receipt of sufficient information to allow the **insurer** to assess the potential increase in insurance risk, to the continuation of cover for any:

- (i) **claim** against that **company, fund** or their **insured persons**, which arises from a **wrongful act**;

In the event of a **change of control** of the **policyholder**, the **policyholder** is entitled to purchase a 72 month **discovery period** on such terms and conditions and for such additional premium as the **insurer** requires.

Any **discovery period** does not increase the **limit of liability**, and any payments made with respect to **claims, insured events** and **crime losses** during the **discovery period** is part of the **limit of liability**.

6. Cancellation

If the premium due under this policy has not been paid to the **insurer** within 60 days of inception of the **policy period** or, where premium is due to be paid by instalments, by the date on which an instalment is due, the **insurer** will have the right to cancel this policy with effect from inception by notifying the **policyholder** in writing direct or via the insurance broker.

Where the **insured** or the **insurer** fail to appoint an arbitrator within 14 days of being called upon to do so or where the two party-appointed arbitrators fail to appoint a third within 28 days of their appointment, then ARIAS will appoint an arbitrator to fill the vacancy. At any time prior to the appointment by ARIAS the party or arbitrators in default may make such appointment.

The tribunal may in its sole discretion make such orders and directions as it considers to be necessary for the final determination of the matters in dispute. The tribunal will have the widest discretion permitted under the laws of England and Wales when making such orders or directions and the decision of the tribunal will be final.
